First Annual Spring Festival

Surprising many and pleasing all, the first annual Hopkins Spring Festival proved itself to be a 3-day success. Unmarred by the one day of rain, the colorful crafts booths, infinite variety of foods, antique cars, other exhibits drew large crowds, both from the Hopkins community and from the city at large.

Left, Mayor Donald Schaefer, accompanied by Fair committee Head Bobbi Nuttle (and that other hand belongs to Gerry Bates) display the Mayor's proclamation of Fair Week.
